

**WORKSHEET #29: BEHAVIORAL HEALTH SERVICES**

In this task, organization management should identify counseling services that may be provided to employees and/or their families after a disaster has occurred. The contact information for Behavioral Health Services and whether that person or group will provide any special services for organization employees and/or their families should be listed below. Behavioral Health resources include EAP, DMH/DD/SAS, NCPF-DRN, and the American Red Cross.

Will Counseling Be Provided?	Who Will Provide the Services?	Contact Information for Person/Group Providing Services	Who Will Counseling Provided For?	Special Counseling Services Provided by the Person/Group

This worksheet is from the Maryland Emergency Management Agency (MEMA) Continuity of Operations Planning Manual.
