

**All Hazards Emergency Plan
Facility Action Cards (FACs)**

FACs – Plan Activation

In the event of a crisis or disaster situation (or notification of the potential for one) the Administrator/ Designee or Highest Ranking Staff Member on Duty at the time of the incident shall:

1. Announce the appropriate code.

- | | | |
|----------------|--|--|
| ▪ Code Red: |  | Fire Emergency |
| ▪ Code Pink: |  | Missing Resident |
| ▪ Code Green: |  | Tornado/Severe Weather/Natural Disaster |
| ▪ Code Black: |  | Utility Outage |
| ▪ Code Orange: |  | Hazardous Material/Waste Spill/Release |
| ▪ Code Gray: |  | Workplace Violence or Threat of Violence |
| ▪ Code Brown: |  | Nuclear power |
| ▪ Code Yellow: |  | Suspicious Package/Bomb Threat |
| ▪ Code Blue: |  | Medical Emergencies |
| ▪ Code Purple: |  | Epidemic/Pandemic Episode |
| ▪ Code White: |  | Terrorist Attack |

2. Activate the Incident Command System (ICS).

3. Ensure an appropriate emergency response has been coordinated with appropriate outside resources, such as:

- Fire
- Emergency Medical Services
- Law Enforcement
- Transportation Services
- Service Contractors for Utility/Equipment Failures
- Other Essential Resources to Handle the Incident

4. Direct all leadership staff on duty to the pre-established Incident Command Post.

5. Call back essential leadership staff that is not on duty at the time of the incident.

6. Activate appropriate sections of the facility's Emergency Response Plan (Section IV).

7. Utilize appropriate sections of the All Hazards Emergency Plan to manage the incident.
