## Section III: Emergency Preparedness and Planning

### 1. Developing Relationships and Partnerships with Emergency Resources

\_\_\_\_\_ (*facility name*) acknowledges that it is essential to identify entities, individuals, agencies, and organizations within the community that may be beneficial to it and its operation during a crisis or disaster situation. The development of formal relationships and partnerships may assist \_\_\_\_\_ (*facility name*) in the continuation of services or help with the reinstatement of services following a crisis or disaster situation.

The establishment and maintenance of such relationships and partnerships can help ensure the availability of emergency resources.

The following relationships have been developed by \_\_\_\_\_ (*facility name*). (Please check appropriate organization and add contact information on the following page):
